

Discovery for Workforce Solutions

To manage the challenges and unpredictability of remote work locations, you need a specialised team.

Our WorkStay team has a strong commitment to offering personal service specifically tailored to the needs of people working away from home.

At the end of a long day, we know your team needs a comfortable, relaxed environment to return for rest and recovery.

- Australia's largest accommodation owner and operator.
- 90+ Discovery Parks Australia-wide.
- From outback to waterfront and everywhere in between, our parks offer exceptional services, facilities and competitive rates.
- Outstanding choice of recreational options at every property, including communal BBQ areas, ample green space, camp kitchens and swimming pools.
- Perfect for small or large project teams.
- Staff wishing to reconnect with family on a weekend stay can relocate to larger villas and enjoy family activities and outdoor dining facilities onsite.

Our friendly WorkStay staff will take care of everything, including additional bookings for transport and tours.
